This edition of the Directory of the Republic of Nicaragua supersedes LDA 87-12849, dated July 1987. It identifies persons who hold key positions in the government; state-operated economic organizations; miscellaneous other organizations; the ruling Sandinista National Liberation Front and other political parties; the military; and the diplomatic service.

Alphabetical indexes to organization and personality names are included at the end of the publications. In the name index, the patronymic (surname) is immediately followed by the given name, and the matronymic (mother's name), if known, is placed in parentheses at the end.
